To the sponsors and supporters of the Rosemary A. Hockney Memorial Foundation:

My family and I on behalf of the late Justin James Hermansen would like to thank all of you! Your generosity and love for the children and families of cancer has such an impact on families that I want you to know personally from our hearts to yours how greatly appreciated we are.

With your help we were able to put the funeral behind us and move on, I won't have to worry about a payment and the memory of what it's for each time. We can focus on the happier and more important memories my son Justin has given to us and at these trying times that's what my family and others alike need and should be doing. I want to share something with you that I think will give you an idea of the spirit my son had. A few days prior to Justin going to live with the Lord I asked Justin who do you love? You Dad he replies just as he has the million other times I asked. And as always I follow it with, who loves you? And to my surprise it wasn't the usual you Dad, but EVERYBODY and now I look back and see everybody that came into our lives in one way or another whether they were able to meet Justin or not but one thing is for sure EVERYBODY did love Justin.

Sincerely,

A handwritten signature in dark ink, appearing to read "Paul Hermansen". The signature is fluid and cursive, with a long horizontal stroke at the end.
